A note from his sister Susan:

Thank you for all your kind words and prayers for us after my grandson Austin's death. We had his Celebration of Life on Saturday Jan. 15. It was so good to hear stories from his lifelong friends, many of whom tried so hard to help him with his struggles. He shared The next day on Jan. 16, I was able to share all of that in a good phone call with my brother **Michael Davies** in Florida, who has been a quadriplegic for nineteen months. It was the first good call for about two weeks. Then less than two hours later the nursing home called and said he had passed away...he simply stopped breathing. I do believe it was his time...that God was waiting for him to come use his beautiful baritone voice in His heavenly choir. He has suffered so much and is truly at peace now in a new, unbroken body. We will have a Celebration of Life Service in Bradenton Florida on Feb. 10 with his home church family. He leaves behind his son David who lives in Wisconsin. This is a great photo of them at Phil's Memorial Service in 2015.

RIP Dear Brother!
